

Shell Egg Academy

www.shelleggacademy.org

The 2024 In-Person Shell Egg Academy (SEA) is an advanced egg production and processing that focuses on egg quality information, an interactive experience, and networking with government agencies (USDA-AMS, USDA-ARS, and FDA) as well as academic institutions and other egg companies.

In-Person SEA is the **ONLY** egg industry education event in the U.S. that brings together all three of the regulatory governing bodies to network and learn with egg companies!

In-Person SEA will be held September 10-12 at Beck Agricultural Center at Purdue University.

Registration Fees:

Individual (egg company) - \$800

Government Individual rate - \$650

Your registration fee includes breakfast (September 10, 11 and 12) and lunch (September 10 and 11) along with a networking reception and dinner on September 10, a SEA Experience Backpack, an Egg Regulations guidebook, and digital access to speaker outlines and slide decks. (Printed Proceedings are available for an extra fee during the registration process.)
